Organizational Management

Artists Join Today!! VSA's Artist Registry

The VSA arts of Florida (VSAFL) Artist Registry offers information, resources and publications that address the unique needs of artists with disabilities. The benefits of the Registry extend to established and emerging artists with disabilities, as well as members of the general public, providing valuable information that can lead them on their way to effectively turning their creative talents into a full-time career. Benefits include:

- Exhibition opportunities
- Professional development trainings
- Workshops
- Networking opportunities

The VSAFL Artist Registry allows the artist to further explore their creativity while enhancing personal and professional growth, self-esteem, and independence.

Membership in the VSAFL Artist Registry is free and open to all artists with disabilities living in the state of Florida, age 18 and older, who are committed to their artistic progress.

If you are interested in becoming a member of the VSAFL Artist Registry, or would like more information about this and other VSAFL programs, please visit our website at www.vsafl.org.
