It is not necessary for artists to have their own sponsors.

Street Painting Festival Selection Committee Deems that:

1. The sponsors and artists are partners at the festival. The sponsor purchases the space on which the artist will create an image. Because the art created for your square represents the sponsor, it is very important that your subject matter be something that the sponsor will consider a positive partnership. Generally, sponsors do not like to see their name associated with images of violence, gore or major controversy. The Festival Committee must consider the sponsors' concerns in our selection process.
2. If you are selected as an artist for the Street Painting Festival, you must render the image you included with your application form. Any image change after submission must be approved by the Street Painting Festival Committee at least two weeks prior to the festival.

STREET PAINTING FESTIVAL 2010
ARTIST APPLICATION

The Italian tradition of street painting dates to the 16th century when itinerant artists would travel from town to town for religious festivals and transform the streets and public squares into temporary galleries for their works of art. Although their paintings lasted only until the next rain, the tradition has endured for more than 400 years.

The Street Painting Festival is free and open to the public on Saturday & Sunday, February 20 & 21, 2010, from 10 a.m. to 6 p.m. daily. Pastels are the medium and works produced are temporary. Remarkably, there are no fees! Materials will be provided. You need only provide your talents and enthusiasm. But space is limited. To ensure your ability to participate, volunteer street painters are strongly encouraged to find a business, individual, or organization to sponsor your square. Or consider sponsoring a square yourself or with friends.

Never done a street painting? Have no fear, the process is both challenging and rewarding. An artists' orientation for accepted and confirmed participating artists will be available in early February and you'll be notified by e-mail or first class mail. Festival information, rules, tips, tricks and recommendations will be provided. Before you begin painting, you will need to check in at the Artists' Oasis on Saturday a.m. February 20th. The Artists' Oasis will be open from 8:30 a.m. to 3 p.m. both days. You will be given your assigned space, pastels and a few other items.
